

Perks for Parks

Great Parks Promote Community and Pride!

Did you know that throughout the City there are available locations where you could sponsor a bench or a tree or you can contribute to a park improvement?

In the Perks for Parks program, you have an opportunity to be a part of the cause by celebrating an occasion, honoring a loved one or creating a special memory in the City's parks.

Come join the City of Manassas as we build pride in our parks. Your support will help preserve and enhance the City's parks all while demonstrating a commitment to park pride.

SPONSOR-A-BENCH ----- \$2,000

- Show your community pride and choose one of the historic, classic benches to sponsor in the City of Manassas. The City will install a customized cast bronze plaque at the site of your bench to recognize your civic organization or to honor a loved one.

SPONSOR-A-CHAIR ----- \$500

- Choose one of the City's 10 Adirondack Chairs for sponsoring. These chairs are the perfect way to commemorate a loved one, while also bringing the gift of relaxation to the City's park users.

SPONSOR-A-TREE ----- \$1,000

- Greenery is symbolic of new beginnings and symbolizes the reconnection we seek with nature in the City parks. Sponsor a tree to celebrate an occasion or memorialize a loved one.

SPONSOR-A-Pollinator ----- \$100 or \$50

- Help attract native pollinators and have the City plant some native species that provide essential habitats for pollinators. Your sponsorship will support pollinators that help keep the City plant communities healthy and alive.
